SUBMIT THE APPLICATION

- When you have filled in all the mandatory fields and uploaded all the mandatory enclosures, there should be no warning signs on the different tabs of your application.
- The button "Send application" will then be visible in the "Check and send application" tab
- When you are ready to submit your application, click on "Send application".
- Click YES when asked "You can not edit the application after it has been sent. Do you really want to send the application?"
- Your Status of application will change from "Application not ready" to "Application sent".
- You can log in at any time to follow the process of your application.
- Applications are reviewed within 2-3 weeks.
