## WE ARE HIRING CIVIL ENGINEER

We have had a busy and productive year 2020. Our goal for the coming years is to continue the positive growth. Therefore, we are looking for an additional team member who is ready to bring all innovative ideas to support our business.

### Your main tasks and responsibilities:

- Formwork design according to BS and Euro Standards.
- Perform drawings and supporting calculations.
- Cooperation with the team in different projects.
- Improve efficiency in the design process.

### You are a great fit for the team if:

- You have a university degree in Engineering (or you are graduating).
- You have previous work experience as a civil engineer.
- You are a self-starter with proactive approach, structured, result oriented and have excellent analytical skills.
- You have good knowledge of AutoCad (experience with Tekla is an advantage).
- Good written and verbal communication skills in English.

**We offer you** an opportunity for professional growth in a growing company, multicultural work environment, international experience and competitive salary.

Please send your CV to [laura.hein@youroffice.ee](mailto:laura.hein@youroffice.ee) or apply online before **6th May 2021**.

Address: Tulika 19, Tallinn

E-mail: [laura.hein@youroffice.ee](mailto:laura.hein@youroffice.ee)
